For your first visit, please fully complete and sign all forms included in your packet. You will need to present these forms to the front desk upon your arrival. If you are unable to complete these forms before your first appointment, please arrive 30 minutes early and we will assist you. If you need to reschedule or cancel your appointment, please call at least 24 hours before your scheduled visit.

YOUR FIRST VISIT

To evaluate your health, it is extremely important that we receive your medical records prior to the time of your scheduled visit. Please arrange to have your doctor send these to our office before your initial appointment. To provide you the highest quality of care, your physician will need to review any pathology, surgical reports, x-ray scans, laboratory results, medical notes and in-patient records that are available.
We accept most insurance carriers and our staff will work with you to ensure that you have the coverage you will need.

WE ASK THAT PATIENTS ALWAYS

- Bring insurance cards to each visit. If there is a secondary insurance plan, a Medicare supplemental plan, or a prescription plan, please make sure to bring all of your cards.
- Keep us informed of any change to any vital statistics such as address, telephone number, employment status, marital status or insurance.
- Provide a current list of medications at each office visit; it is necessary that we review all prescription and over the-counter medications currently being taken including vitamins, herbs, aspirin, Tylenol, etc. Some patients find it more convenient to bring the medication bottles to the appointment.
- Allow a 72-hour turnaround for prescription refills. Please note that some prescriptions for pain medications do not allow refills, therefore we request that patients contact us prior to running out of any medication.
- Consider the compromised immune systems of other patients and refrain from bringing children to your appointments. If you are feeling ill, please call us prior to your appointment so we can provide guidance.
- Write down any questions or concerns that arise to discuss with the physician. Once a patient has made an appointment, all facets of our services-from the latest research findings to the most advanced technology-will be utilized in providing the highest level of quality medical care.

Again, we welcome you and say thank you for choosing Bardmoor Cancer Center. For further information, please visit our website at www.bardmoorcc.com. Should you need additional assistance, please call, (727) 320-0200.

A copy will be provided to you upon request. If you have questions, please let us know.

1. **Insurance.** Your insurance policy is an agreement between you and your insurance company. We are not a party to your contract. As a courtesy, we will bill your insurance plan for you, if you provide us with accurate information. Please contact your insurance company with any questions you may have regarding coverage.
    a. Non-contracted insurances: if we are not contracted with your insurance company, please be advised that your out-of-pocket costs may be greater than originally anticipated. We will give you an estimate of your costs but the final amount due will be determined by reimbursement from your insurance company.
2. **Non-covered services.** Please be aware the some of the services you receive may not be covered or may not be considered reasonable or necessary by Medicare or other insurers.
3. **Claims submission.** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that charges for services received are your responsibility whether or not your insurance company pays your claim.
4. **Proof of insurance.** All patients must complete a patient information form before seeing the doctor. We will ask for a copy of your current valid insurance card(s) as proof of insurance.
5. **Coverage changes.** If your insurance changes, please notify our office immediately so we can make the appropriate changes to your billing information. If you fail to provide us with the correct insurance information in a timely manner, you will be responsible for all incurred charges.
6. **Co-Payments.** All co-payments must be paid at the time of service. This arrangement is part of your contract with your insurance company.
7. **Nonpayment.** Please be aware that if you fail to pay your portion of your bill, we may refer your account to a collection agency and you may be discharged from this practice.
8. **Missed appointment policy.** Our policy is to charge an assessment fee to patients who miss their appointments, or who cancel an appointment with less than 24 hours' notice.
    Fees: $50.00 fee per missed office visits.
    $100.00 fee for procedure visits.
    $150.00 fee for missed PET Scan visits.
    These charges will be your responsibility and billed directly to you. Your insurance will not pay them. Please help us to serve you better by keeping your regularly scheduled appointment.
